Practical vs Theory

The Course

Join us for a floristry masterclass session focusing on the use of dried flower materials to create a spring wreath design to brighten your home. Whether you want to try something new or perfect an existing skill, this masterclass session will provide you with the opportunity to work with dried flower materials to creating a beautiful spring wreath to take away with you. Flowers, seed heads and other materials are grown in our beautiful campus gardens throughout the year and carefully picked and dried to be used along with additional dried materials during this masterclass session. There are two dates available: Tuesday 19 March 2024, 10am - 1pm Wednesday 17 April 2023, 6pm - 9pm Visit shop.bishopburton.ac.uk to book your place. Our team of talented florists cannot wait to welcome you to this event and share their passion and love for all things floristry with you. We reserve the right to cancel this course if insufficient numbers enrol in the unlikely event that this happens a full refund will be provided.

Course Aims

> This hands-on session provides you with the opportunity to watch our experts as they demonstrate techniques and then provide you with the opportunity to create a stunning dried flower wreath to take home with you.
