Getting the Bus to Riseholme College

Many of our students travel from home to college on a daily basis using our bus service. Riseholme College currently operates five bus routes across the region, as shown on the map above.

If you live on one of our existing bus routes, transport to and from college may be FREE. Please contact Student Services by calling **01522 304600** or emailing enquiries@riseholme.ac.uk to find out if you are eligible.

If you are not eligible for free transport, you can still use the bus service by buying a bus token. Bus route tokens can be purchased from Student Services. **The bus token price is £2.50 per journey.**

Bus Passes

If you are entitled to free college transport, a bus pass will be issued during enrolment. Once the bus pass is issued it must be shown to the bus driver on each journey. Failure to show your bus pass forfeits your privilege of free travel.

If the bus pass is lost / damaged a replacement can be purchased from Student Services for £5 (£10 if a new lanyard is required). Pop in or give them a call on 01522 304600 for more information.

Behaviour on College Buses

Students will be expected to behave appropriately at all times. This includes the time spent at the bus terminal as well as during the bus journey.

Anyone found to demonstrate a lack of respect towards others be they fellow students, staff or members of the public will be disciplined and may forfeit their right to travel on the college buses.

Bus Routes

The below details the inward times for our bus services. All timings are approximate and you are advised to be at your pick-up point at least **10 minutes** before the time stated. If you miss the bus you must make your own travel arrangements to the college.

Please raise your arm for the bus top stop. The bus will not stop automatically at every stop on the route.
